Hi Adam,

Attached is the updated POLREP, following your review, including the following and other items:

- Formatting has been streamlined per your comments
- Tables have been edited per comments
- A wildlife summary table was added upon review of wildlife summary PDFs
- Information regarding the mobilization of ATSDR was included on 05 December.

I will proceed to post on the site – if that is okay.

Thanks!

James,

Nice work on the draft POLREP 3.

Did a red-line. Basically 3 comments plus/minus in the redline:

1. Please make sure the format/comments are the same for each day's summary. I marked up the first one. Same with spacing, etc.
2. Let's summarize at the end. Did anything else happen between 11/27 and 12/13 that needs to be included? (i.e. activate ATSDR, etc.)
3. We should probably include some summary info for our data and state data.

Thanks

Adam
